Application of the TALENT Sanitization Manual to T-KH Material

50X1

[redacted] of PIC/CIA reviewed the findings of his examination of the application of the TALENT Manual to TALENT-KEYHOLE materials and information. It was his conclusion that generally it was applicable with a few changes of words, and finding a solution to a particular problem in Attachment A, paragraph 2, on technical criteria. The Chairman stated that he would work with [redacted] to develop a guide and submit to the COMOR a paper which could serve as an authorization and taking account of the points raised by [redacted]
